Lead Auditor

Everything you need in a Lead Auditor Food Safety Training Course

QMS Audits' Lead Auditor Training Course gives you all the accreditations you are likely to need to become a National Food Safety Auditor (NFSA) or a food safety auditor for a certification body, including SQF.

This course is modular so you can undertake each module separately or as one consecutive 5 day course.

- Internal Auditor - Food Safety (2 days)
- Lead Auditor Extension - Food Safety (3 days)

Our Lead Auditor course is recognised by/for:

- NFSA Level 4 Auditor
- Exemplar Global / RABSQA
- SQF and Freshcare
- Nationally accredited - including prerequisite units of competency required for Cook Chill

Course duration: 5 days

3 study options: Classroom, In-house at your facility and Instructor-led Virtual Classroom
